Comhairle na Mumhan CCÉ Scoil Fonn & Amhrán

Thursday, 18th July 2024 – Ursuline College, Thurles

In 1982 Comhairle na Mumhan initiated Scoil Fonn & Amhrán. This was in response to concerns expressed at that time about the quality of air playing, the narrow repertoire of singers and musicians, small numbers participating in slow air playing and singing competitions, and an over emphasis on reels and jigs, etc. at sessions and classes, to the detriment of traditional airs.

This year, Comhairle na Mumhan continue with Scoil Fonn & Amhrán in conjunction with Fleadh Cheoil na Mumhan at Thurles on Thursday, July 18th with an intensive one day series of workshops on slow air playing on **Fiddle, Harp, Flute, Whistle, Irish Singing** and **English Singing**.
